Chamberlin-Johnson-DuBose Co. Splendid Opportunities in the Ready-to-Wear Department. Voile and Linen Dresses and Linen Suits that Will Appeal to a Woman's Sense of Style, also to Her Sense of Economy. Here is a very fine treat for the women of Atlanta! We have gathered from here and there in the big well assorted stocks of dresses and linen suits some very likely and likable lots for a Tuesday Sale. Primarily they are just such dresses and suits that women want right now--A Sale seasoned with timeliness. Fact is, most stores are still eagerly searching the markets for such garments to be sold in the very regular way. But that is one reason why we think it is so fine and why we are a bit proud of it.
