# "All Work and No Play"

Following Our Now Well-Established Custom, the Store Closes Tomorrow at 1 o'Clock

The Saturday half holidays for the summer begin tomorrow!

They come as a little "breathing spell" for those who serve you and us faithfully through the long days of the year—and may they thoroughly enjoy then! Nor are we speaking out of pure philanthropy—it is tinged with business judgment, or perhaps, with the psychology of business, we are simply putting into practice the old adage about all work and no play.

we are simply putting into practice the old adags about all work and no play.

We want bright, smiling, happy people about us. We long ago recognized the Saturday half holiday as a helpful means to this end.

We trust that whatever slight inconvenience it may cause, you, our big public, will be more than offset by the renewed energy and vigor and happy smiles that our people will bring with them on Monday mornings.

### Were Toilet Articles Ever So Priced?

And right now comes the BIG season of toilet articles, when the sun is hot and when comfort depends so much upon the means we take to acquire it. There is no telling you how much you will save—at one time it is a half, again it's four-fifths, again it's five-sixths—but such fractions mean little. Read

### A Half-Day of Whole-Hearted Reductions

In the Junior Department Third Floor

Much can be saved in the half-day tomorrow! We have created some timely and wonderfully fine values in the Junior Department—the question is whether such values will last through the whole half-day. Read them and judge for yourself whether you should delay hurrying.

Children's \$2 and \$3 Middy Blouses \$1.25

Sizes eight to fourteen years.

The white galates is a splendid quality.

They have navy, red and white collars and silk ties that take them out of the class of ordinary middies.

The chances are you will choose more than one once you see them.

Children's \$5.00 and \$6.00 Dresses \$2.98

Sizes six to fourteen years.
As choice a collection of linen, French gingham and galates dresses as a woman could want to choose from were price of no consideration.
Styled in the most becoming little fashions—as only few makers of children's dresses seem to know how.

Some are hand embroidered, some are trimmed with Irish crochet laces—all have some point that marks them as extremely pretty.

Children's \$8.50 to \$12.50 Dresses \$4.95

Size air to fourteen years.
The clears year of the finer wash dresses for children!
Doubtless it will be a quick one—when \$8.50, \$10.00 and \$12.50 dresses are \$4.95.
There are white and colored linens, white and colored pipues and novelty striped ratines.
Many of these are hand embroidered and all are fashioned and trimined beautifully—and variously—too variously to to them justice here.

The corsets themselves are good style, splendidly made corsets (do not be surprised to see the names of well known makers on many of them.)

And at the same time
