Section An Interesting Spot

No lagging, no resting on our oars here!
There is a cheerful air of "busy-ness" about the silk section that always accompanies new and bright merchandise.
For new silks are arriving with splondid regularity, which doubtless will prove to be a matter of much satisfaction to the woman who wants another dress, waist or the like. She will not, as is too often the case in some stores at this season, have to choose from the tag ends of silks selected months ago.

Right now of particular merit are—
